Forward-Looking Information

This presentation contains, and future oral and written statements of the Company and its management may contain, forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not historical facts and are generally identifiable by the use of words such as “believe,” “expect,” “anticipate,” “continue,” “plan,” “intend,” “estimate,” “may,” “will,” “would,” “could,” “should,” or other similar expressions. All statements in this presentation, including forward-looking statements, speak only as of today’s date, and the Company undertakes no obligation to update any statement in light of new information or future events.

The Company’s ability to predict results or the actual effect of future plans or strategies is inherently uncertain and, accordingly, you are cautioned not to place undue reliance on any forward-looking statement. Actual results could differ materially from those addressed in the forward looking statements as a result of numerous factors, including the effects of economic, business and market conditions and changes, particularly in our Indiana market area, including prevailing interest rates and the rate of inflation; governmental monetary and fiscal policies; the risks of changes in interest rates on the levels, composition and costs of deposits, loan demand and the values and liquidity of loan collateral, securities and other interest sensitive assets and liabilities; and changes in borrowers’ credit risks and payment behaviors, as well as those identified in the company’s filings with the Securities and Exchange Commission, including the company’s Annual Report on Form 10-K and quarterly reports on Form 10-Q.
