Dear Shareholder:

Proxy material for our February 24, 2009 Special Meeting of Shareholders was mailed to you a few weeks ago and we wanted to provide you with some additional information regarding the Board of Director's recommendation to vote "yes" on both proposals. Because of the common mischaracterization of the Capital Purchase Plan (CPP) as a "bailout", there have been some questions regarding Lake City Bank's decision to participate in the Capital Purchase Plan. Given our strong financial condition and our desire to participate in the CPP, we felt it was important to clarify some misconceptions about the program and our decision to participate.

As demonstrated by our recent announcement that 2008 was our 21st consecutive year of record earnings, Lakeland Financial Corporation is a financially strong institution. The consistent strength of our financial performance and our stable capital structure have contributed to our eligibility to participate in the Capital Purchase Plan, which was designed to provide healthy financial institutions like Lakeland Financial with additional capital for growth and expansion. **The CPP is not a bailout. It is an investment in healthy financial institutions like Lake City Bank that is designed to spur additional lending activity and contribute to economic expansion.**

Given our position as a leading lender in the markets we serve, we believe that it is our responsibility to continue to make loans in our footprint and contribute to the economic well-being of our Indiana markets, just like we have for over 135 years. Participation in the CPP will provide us with further capital strength to ensure we can maintain this leadership position.

Your vote is important, regardless of the number of shares you own. With the Special Meeting now only a short time away, we're asking you to vote your shares in favor of the Board's recommendations. You can vote by telephone, Internet or mail. For your convenience, a duplicate proxy card and return envelope are enclosed, along with telephone and Internet voting instructions. If you already have voted in favor of the proposal, we thank you for your prompt response.

If you have not voted, we encourage you to do so without delay. If you have voted against the proposal, we encourage you to reconsider your vote, and would be happy to discuss your concerns with you. Please contact me, or David Findlay, our Chief Financial Officer, at 574-267-9197. In the event that two proxies are received from you, the one bearing the latest date will be counted, as it automatically revokes all prior proxies.

Thank you for your continued support of our efforts!

Sincerely,

Michael L. Kubacki
Chairman, President and Chief Executive Officer
