Forward-Looking Information

This presentation contains, and future oral and written statements of the Company and its management may contain, forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements are not historical facts and are generally identifiable by the use of words such as “believe,” “expect,” “anticipate,” “continue,” “plan,” “intend,” “estimate,” “may,” “will,” “would,” “could,” “should,” or other similar expressions. All statements in this presentation, including forward-looking statements, speak only as of today’s date, and the Company undertakes no obligation to update any statement in light of new information or future events.

The Company’s ability to predict results or the actual effect of future plans or strategies is inherently uncertain and, accordingly, you are cautioned not to place undue reliance on any forward-looking statement. Actual results could differ materially from those addressed in the forward looking statements as a result of numerous factors, including the effects of economic, business and market conditions and changes, particularly in our Indiana market area, including prevailing interest rates and the rate of inflation; governmental monetary and fiscal policies; the risks of changes in interest rates on the levels, composition and costs of deposits, loan demand and the values and liquidity of loan collateral, securities and other interest sensitive assets and liabilities; and changes in borrowers’ credit risks and payment behaviors, as well as those identified in the company’s filings with the Securities and Exchange Commission, including the company’s Annual Report on Form 10-K and quarterly reports on Form 10-Q.

Long Term Success for Shareholders

Source: S&P Capital IQ Pro. Financial data is as of March 31, 2024.

(1) Includes banks and thrifts traded on the NYSE, NYSEAM or NASDAQ as of 7/8/24; excludes merger targets.

(2) Defined as having positive net income before extraordinary items and preferred dividends for each of the last 10 years (calendar years ended December 31, 2014 through December 31, 2023). Net income before extraordinary items is defined by S&P Capital IQ Pro as GAAP net income, after taxes, minority interest, and other after tax items, but before any extraordinary items. Excludes any revaluation of net deferred tax assets due to tax reform per S&P Capital IQ Pro.

(3) Defined as having compounded annual growth in tangible book value per share from 3/31/04 through 3/31/24 greater than 8%.
